

Lab sessions

Programming: Grade in class; the following week is fine.
After that –33% for a week (-10/30). Graded by completion.

Design and **discussion:** graded by completion.

Labs are designed to be interactive. 2~3% each (20-30pts).

If you are sick / traveling / can't attend, let us know.

During labs

Labs help you learn the basics.

There are labs designed to **teach** you how to "copy" (adapt) code online

Don't copy your classmate's code! (Cheating)
