

During labs

Labs help you learn the basics.

There are labs designed to **teach** you how to "copy" (adapt) code online

Don't copy your classmate's code! (Cheating)

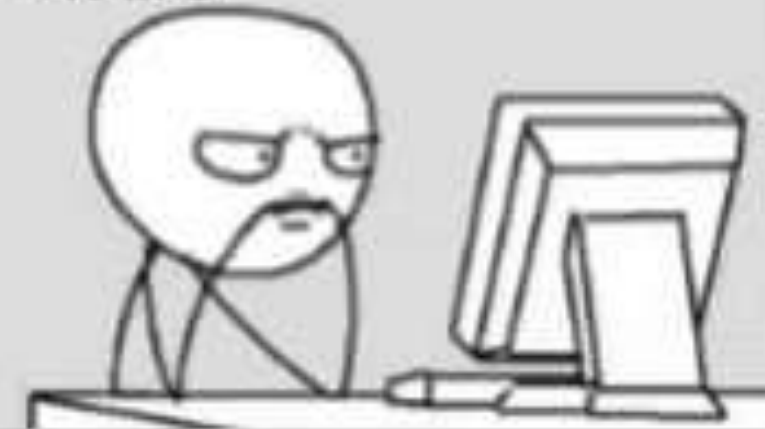

About **AI** and labs

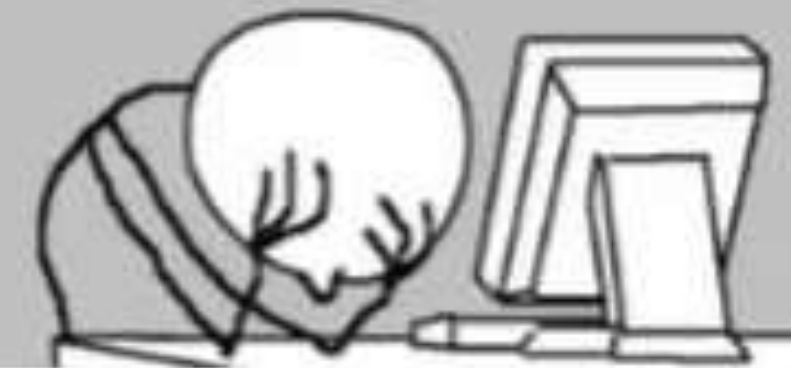

Learn the basics so that you can use AI better than others in the future.

Days before OpenAI

Developer coding
- 2 hours

Developer debugging
- 6 hours

Days after OpenAI

ChatGPT generates
Codes - 5 min

Developer debugging
- 24 hours
