

Tell it about you!

are asophomore...

are a junior.

are senior.

know at least one modern programming language

have **web** programming experience before

Raise your hand if you...

Tell a bit about you!

Raise your hand if you....

know at least one **modern** programming language

have **web** programming experience before

are a sophomore...

are a junior...

are a senior...

Today, the first lecture (finally!)
