"Are dogs better than cats?" into an online search engine, articles that argue in favor of dogs will appear first.

In many people's opinion, dogs are better than cats. Why? Dogs are more trainable, use the bathroom outside, can protect you, and promote a more active lifestyle. Sure, it is possible to think one is better than the other, but still love both. May 6, 2024

10 Reasons Dogs Are Better Than Cats - The Spruce Pets

Reverse the question and type "are cats better than dogs?", you will get results in support of cats.

Compared to dogs, **cats are a low maintenance pet**. They don't require formal training, they don't need to be taken out multiple times a day, and they're even able to take care of basic self-cleaning.

Anchoring bias

Where individuals rely too heavily on the first piece of information (the "anchor") when making decisions, judgments, or estimates.
